COFFEE OBSERVATIONS [TODAY]

The surrounding air was filled with the aroma of freshly ground Arabica coffee and the rythmic beats of one Bob Marley. Despite this, I couldn't shake the cobwebs of unfocused thought. I rubbed my eyes (as if that would help) and... continued

ON THE ROAD AGAIN [YESTERDAY]

The entangled freeways and ensnarled side streets at rush hour can teach us a lot about ourselves. Will you risk your life to move ahead one car length or can't you be bothered since you are so involved in your cell phone conversation? My issue seems to be... continued

PAPER OR PLASTIC? [3 DAYS AGO]

Surely one of the more soul searching questions of our time. Although most people probably answer without thinking, maybe we should consider the pros and cons of this choice. For example... continued
